

QUALITY POLICY

The Construction Industry Training Centre Inc. (CITC) is firmly committed to providing the opportunity for quality outcomes for all participants on its courses in an environment of respect for their experiences of work, life and industry.

We are equally committed to continual improvement of all aspects of what we do in terms of improvements to our own systems, the health and safety of all workers and the care of the environment for future generations.

Policy Authorised by Chief Executive Officer
David Fitzgerald
CEO CITC
