STAGE 1. PRIOR TO THE COMMENCEMENT OF THE COURSE

Please be aware that you must speak with a CITC Enrolment Officer to enrol. The CITC does have an online enrolment system also. This can be viewed at www.citc.com.au
2. The Enrolment Officer will establish the available dates* for the course you would like to enrol onto and will begin the enrolment process. Online enrolments view the course schedule and enrol and a CITC Enrolment Officer contacts you within 48 hours to confirm your enrolment.
3. You will be required to provide personal details for the relevant enrolment documentation to be forwarded to you prior to course commencement. This documentation will be forwarded either by email or by post. Enrolments online follow the same instructions and processes.
4. You are required to return all applicable documentation to the CITC office by the due date given. Required documentation includes:
